- All eligible applicant names shall be placed in a container, and two (2) names will be drawn at the National Convention. The first-named recipient will be notified of the scholarship. If they are unable to attend school or are disqualified that year for any reason, the next alternate will be notified.
- No individual will receive more than one NRLCA Auxiliary Scholarship for the current year. If selected for multiple scholarships, they must choose which to receive. The next alternate will be awarded the scholarship(s) refused.
- A scholarship check will be issued when proof of full-time enrollment in the chosen college, university, or technical/vocational or trade school is received by the National Secretary-Treasurer. Proof must be postmarked by November 1, 2026, or the scholarship will be offered to the next alternate.
- Check will be made out to the individual recipient, not the school.
- If the award recipient leaves school without completing the school year, the money must be returned to the NRLCA Auxiliary. The National Auxiliary Officers will review such cases and will decide on the return of the money. In the case of sickness or death, the family will not be required to return the funds.
